Community Agreements

Be neighborly.

- Be respectful of all participants & hosts
- Don't denigrate groups of people
- Give space for all to participate

Traffic Calming

Why Do We Need Traffic Calming?

- Noted issues in the neighborhood
 - Speeding
 - Sideswiping
 - Parking on sidewalks
- 147 crashes involving pedestrians in Lawrenceville between 2004-2020, resulting in 4 major pedestrian injuries and 6 pedestrian deaths

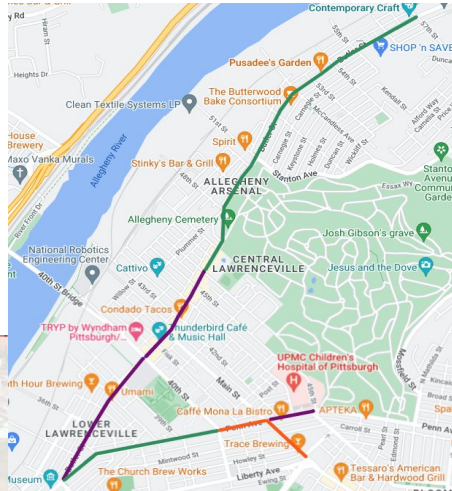

Efforts for Traffic Calming in Lawrenceville

- Advocacy for Mobility Enhancement District to create a fund that could be used for traffic calming measures
- Street tree plantings each fall and spring → Lawrenceville Tree Tenders
- Butler Street Design Guidelines
- Better Streets Lawrenceville - grassroots advocacy
- Specific advocacy in capital budget process (e.g. 40th/Penn intersection)

Recap on Mobility Enhancement District (MED)

- Legislation introduced by Councilwoman Gross
 - In Committee right now
- Would create dedicated, locally controlled source of funds for mobility improvements in Lawrenceville from:
 - New meters along commercial corridors of Butler and Penn
 - Nighttime enforcement of meters (“dynamic hours”)
 - “Dynamic pricing” would allow increased parking rates to respond to high parking demand
